EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey Moy on 6/8/05.

The application has been amended as follows: in line 1 of claims 1 and 5, "A" has been replaced with the phrase -In combination, a--.

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest a towel securing device in combination with a towel and ground, in the entire claimed combination, including an anchor device having body section, a first arc member formed on an end of the body section, a second arc member formed at a second end of a body section of the anchor device, wherein the second arc member partially touches the body section to form an enclosed oval channel, the oval channel securing the towel to the body section.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should

preferably accompany the issue fee. Such submissions should be clearly labeled
“Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from
the examiner should be directed to Mark A. Williams whose telephone number is
(571) 272-7064. The examiner can normally be reached on Monday through
Friday.
